The illustration shows a spiral-bound orange notebook with a yellow cover. The notebook is open to a page titled 'EXPENSES' in red. Below the title, there is a list of categories with checkboxes: 'FOOD' (checked), 'ELECTRIC' (unchecked), 'WATER' (checked), and 'PHONE' (checked). A yellow pencil is resting on the notebook. To the left of the notebook is a blue and yellow wallet. To the right is a black calculator. The background is white with faint, light blue icons of a pencil, a paper plane, and a location pin.

Windows taskbar: 11-11-2022 16:45

6. When user add the day it will be stored in the history

7. The user can also edit or delete the expense they added. Once the user updated it will go back to show the history of expense

The screenshot shows a web browser window with a single tab titled 'edit.html'. The address bar shows the file path 'C:/Users/mahal/Desktop/Templates/edit.html'. The page content is titled 'Edit Expense' and contains the following form elements:

- Date:** A text input field containing '23-11-2022 16:48' with a calendar icon on the right.
- Expense name:** A text input field containing 'appliances'.
- Expense Amount:** A text input field containing '160000'.
- Payment Method 1:** A dropdown menu with 'debitcard' selected.
- Payment Method 2:** A dropdown menu with 'EMI' selected.
- Update:** A red button with white text.

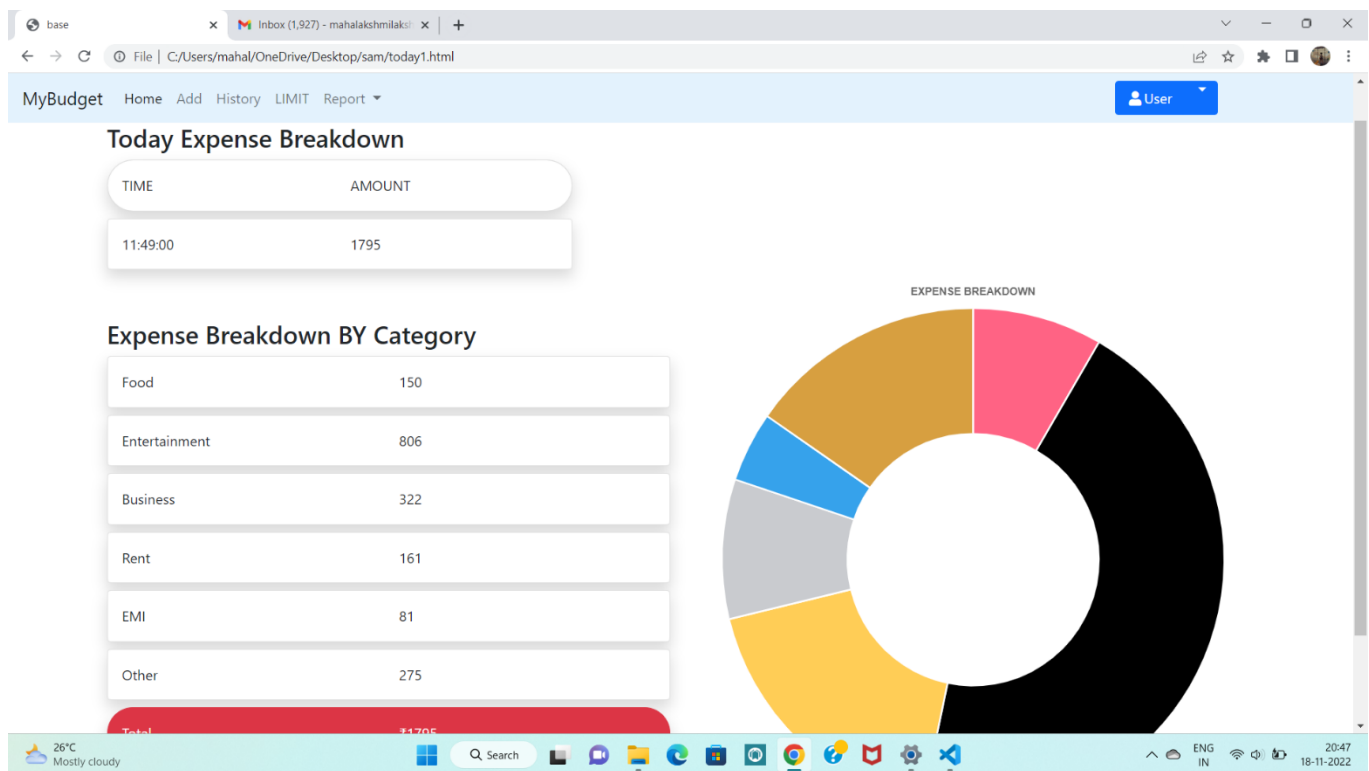

The Windows taskbar is visible at the bottom, showing various application icons and system status information including 'ENG IN', signal strength, and the time '16:48' on '11-11-2022'.
