SENDGRID ACCOUNT CREATION

The screenshot shows the SendGrid dashboard for user Lokhitha Dhanare. The main heading is "Welcome, Lokhitha!" followed by the instruction "To get up and running quickly, please follow the steps outlined below." A large blue banner reads "Send your first emails with Twilio SendGrid". Below this, the "Create a sender identity" section explains that a sender identity is needed before sending emails and offers two ways to create one: "Create a Single Sender" (highlighted with a blue button) and "Authenticate a domain instead". A diagram illustrates the sender identity as the "from" email address. At the bottom, a "Send your first email" section includes a lock icon and the message "Please create a sender identity before sending your first email." The left sidebar contains navigation links for Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, Settings, and Twilio SMS. The bottom status bar shows a 100% reputation, account usage information, and the system date/time (14:41, 11-11-2022).
